CAMP DIRECTOR

P.J. Soteriades enters her 25th year as the Head Field Hockey Coach at Denison University in 2024.

Since taking over the program in 2000, Soteriades has won 238 games and has advanced to the North Coast Athletic Conference Tournament 16 times. A six time NCAC Coach of the Year and Great Lakes Regional Coach of The Year in 2011, Soteriades

is the program's all-time leader in wins and is the longest-tenured coach in Denison field hockey history.

In 2023, the Big Red finished their 24th season under Coach Soteriades 13-6 overall and 9-1 in the NCAC while winning the fifth NCAC Tournament in program history and making the NCAA Tournament for the first time since 2019. The stingiest defense in the conference sent the Big Red to the NCAA tournament and ended the undefeated season for rival Ohio Wesleyan University. In the NCAC Tournament Championship, second-seeded Denison took down the top-seeded Battling Bishops by a final score of 1-0 in overtime thanks to the game-winning goal by freshman Emma Gebhart. The victory capped an extraordinary run of defensive dominance in which the Big Red did not allow a single goal in 12 NCAC games, including two in the tournament. (Denison's lone regular-season conference loss to Ohio Wesleyan came in a shootout after a scoreless 80 minutes). Fittingly, the air-tight defense was led by a Lock. Senior Grace Lock became the sixth Denison player to earn NCAC Defensive Player of the Year while fellow senior defender Cary Mauck was named First-Team All-NCAC for the third straight season. In addition, Lock and Mauck both earned NCAA Division III regional honors - Lock on first-team and Mauck on the second-team for the second time in her career. The senior tandem anchored a Denison backline that allowed just 16 goals on the season and earned 14 shutouts during the season. The Big Red defense allowed no more than four shots on goal in all 10 NCAC games, which included not allowing a single shot in three conference matchups.
