CAMP DIRECTOR

P.J. Soteriades enters her 24th year as the Head Field Hockey Coach at Denison University in 2023.

Since taking over the program in 2000, Soteriades has won 225 games and has advanced to the North Coast Athletic Conference Tournament 15 times. She is the program's all-time leader in wins and is the longest-tenured coach in Denison field hockey history.

Denison finished its 2022 season 11-6 overall while qualifying for the NCAC Tournament for the 13th season in a row. The Big Red also finished 6-2 in the NCAC and earned the No. 3 seed for the conference tournament for the second year in a row while remaining undefeated at home. Denison received five All-North Coast Athletic Conference selections while senior Madeline Hunt was named both the NCAC Midfielder of the Year and Second-Team All-Region after ranking second in the conference in goals (14) and points (28). Denison also led the conference regular season with the most shutouts by a goalkeeper (8).

After their 2020 season was canceled due to the COVID-19 pandemic, Coach Soteriades and the Big Red returned to the field in 2021 and finished 10-8 overall and 6-2 in the conference while tying for second place in the NCAC regular-season standings and reaching the NCAC Tournament championship game for the fourth season in a row.

Closing out 2019 season at 17-4, the Big Red finished 7-1 in the North Coast Athletic Conference and captured their third-straight NCAC regular season and tournament championships.

Outscoring opponents 50-13 on the season, the DU squad led NCAA with .47 goals against average and secured 12 shutouts on the season. The post season marked the 5th time Soteriades led a team to the NCAA tournament and advanced to the NCAA Sweet 16.

Over the last five seasons, the team has compiled an impressive overall record of 73-25 and 45-7 in NCAC play.

Soteriades has been recognized as Great Lakes Regional coach of the year twice and NCAC Coach of the Year five times.
